Order

The Dr Commr is requested to state whether a reply like Court be given for the erection of a new mutt together with suitable Honorary Compensation for its Construction having regard to the extent and approximate value of the building acquired in 1887. Meantime the Comptroller is authorised to pass the monthly payment sanctioned by the Government as noted in Vice President's of 2 Rs to Mooddoredden until further orders

Note

One Muddoo Raghee was in charge of a mutt which was taken up by Govt for the municipality in connexion with the Dufferin's fountain. A compensation of 2 Rs a month was awarded to her from 4 July 1887 which was increased in November 87 under the demi's personal orders to 3 Rs a month, a fact which has been noted down in a memo by the then Vice President The Comptroller has placed the Amounts thus paid upto date under objection on the ground that there is no Govt order sanctioning the same. There is nothing to show that the order of July sanctioning 2 Rs a month had any valid authority. However as the Demi 3 months later sanctioned orally an increase we must take it that he approved of the whole transaction from the beginning & the payment may be sanctioned. The charge may be shown under Compensa

c Memo.

A Matt owned by a Sivachar woman named Muddurachi was taken by the Mysore Municipality in connection with the Dufferin Fountain. A monthly payment of Rs 3/-, tenable during her life time, was awarded to her as compensation by the Municipality in 1887, which she has been receiving from that year from the municipal funds

2 In the resolution passed by the Municipal Board in July 1893, they threw out a suggestion that the payment might in future be met from the Prince Goolam Mohomed's Charity Fund. This resolution of the Board was approved of by the Government in the Local Fund Branch in Proceedings No $\frac{6582-3}{2\ F\ 7-93}$ dated 25th September 93.

3 As President of the Prince Goolam Mohomed's Charity Fund, I beg to bring to the notice of the Government that, the rules framed by the Government for the administration of this charity in accordance

with the wishes of the late Bruce Goolam Mohomed provide distinctly that the said charity should extend only to the poor belonging to the 3 Communities — Viz, Mohomedans, Christians and Brahmins; and that the recipients thereof should be taken in certain proportion from those 3 communities. A printed copy of the rules is herewith submitted.

4 As this woman cannot be admitted into this charity, under the above rules, I request that orders may be issued to continue the payment to her from the Municipal Funds as heretofore

Sir,

In returning the Government order No 1560-1 / 2 F 7-93 dated 24 July 1893, I have the honour to submit extract from the Resolution of the Mysore City Municipal Board dated 29th Instant and to state that as Mootrajamma is an old and sickly female, the Board did not think it desirable to build a new mutt on a suitable site for her at the Cost of the Municipality, but it was of opinion that the payment to her of Rs. 3 for a month during her lifetime is more advisable. However the payment of this allowance out of Municipal funds being a new principle it would be well to arrange to give her the allowance from Privel Goolam Mahomed's Charity fund, on the occurrence of the next vacancy.
